2011 CDK MOD 70 ORION

Offered for sale is ORION, Hull #2 of the legendary MOD 70 trimaran class. Built in 2011 by CDK Technologies (in partnership with Decision and Multiplast) to a VPLP design, ORION was originally commissioned by renowned French sailor Roland Jourdain. This MOD 70 has an exceptional pedigree and racing history in Europe and the United States, and she remains one of the most competitive offshore multihulls on the water today.

Proven Performance:

ORION was 1st to finish and 1st overall in the MOD 70 class during the 2023 Transpac Race, highlighting her exceptional speed, reliability, and optimized configuration. She is currently berthed on the U.S. West Coast and available for immediate inspection.

Specifications:

- LOA: 21.2 meters
- Beam: 16.8 meters
- Draft: 4.5 meters
- Displacement: 6.3 tons
