2004 Magna Craft Sportfish 42' – “Gryphon”

Gryphon is a 2004 Magna Craft Marine 42' Sportfish constructed of FRP with a modified-V planing hull, flared bow, and hard chines. Power is provided by a Cummins 6CTA 8.3 480 HP diesel main engine with approximately 2,100 hours, supported by an Onan 12.5 kW generator, inverter/charger, and dual solar panels. The vessel is equipped with a practical cruising layout, including a starboard amidships galley, V-berth accommodation, enclosed head with shower, air conditioning/reverse-cycle heat, and a full electronics package.

LOA: 42ft
Beam: 13.6ft
Draft: 3.6ft

Key Specifications

- **Builder:** Magna Craft Marine
- **Year Built:** 2004
- **Model / Type:** Magna Craft Sportfish
- **Hull Material:** FRP
- **Hull Type:** Modified-V planing hull with flared bow and hard chines
- **Displacement:** 11,862 lbs
- **Accommodations:** V-berth; enclosed head with integral shower

Mechanical / Electrical / Tankage

- **Main Engine:** Cummins 6CTA 8.3 diesel
- **Horsepower:** 480 HP
- **Engine Hours:** Approx. 2,100 hours
- **Drive System:** Direct drive
- **Fuel Type:** Diesel
- **Fuel Capacity:** 300 gallons
- **Fuel Tanks:** Two fiberglass tanks
- **Generator:** Onan E-QD 12.6 kW genset / 12.5 kW rating
- **Electrical:** 24V DC system; 120/240V AC shore power
- **Auxiliary Power:** Xantrex inverter/charger; dual solar panels on hardtop
- **Fresh Water Capacity:** 30 gallons
- **Steering:** Hydraulic power steering
- **Thruster:** MaxPower Series 80 dual-prop bow thruster, new 7/23
- **Galley:** Refrigerator/freezer, U-Line ice maker, Princess triple-burner stove, GE microwave, stainless sink
- **Electronics:** Furuno NavNet VX2 radar, Furuno GP-31 GPS, Simrad AP20 autopilot, Icom VHF, Icom M802 SSB, Standard Horizon depth gauge
