1973 Bertram Sportfish “Kim K”

Kim K is a 1973 Bertram Yacht Inc. 31' Sportfish constructed of FRP with a modified-V planing hull, flared bow, and hard chines. Power is provided by twin 2020 Yanmar 24-valve diesel engines rated at 232 HP each, with approximately 212 hours observed on the analog hour meters. The vessel is outfitted as a classic sportfish platform with a flybridge, tower, outriggers, direct-drive propulsion, updated diesel power, V-berth accommodations, galley, enclosed head, and Garmin navigation electronics.

LOA: 31ft
Beam: 11.6ft
Draft: 3.2ft
