2015 C&C30 "Just A Friend"

Just a Friend is a 2015 C&C 30 One Design built for competitive performance in a lightweight carbon/epoxy hull. Outfitted with a Volvo diesel, B&G electronics, and an extensive sail inventory, she's fully equipped for high-level racing. Her open interior features bunks, a manual head, and minimalist carbon finishes suited for offshore regattas. Clean, fast, and race-ready, she's an ideal platform for one-design or ORC competition.

Dimensions & Construction

HIN: USWC3016A515

LOA: 30 ft

Beam: 9' 10"

Draft: 7' 7"

Displacement: 3,995 lbs

Hull & Deck

- Carbon skin over honeycomb/foam sandwich construction
- Ballast keel with carbon rudder and J/bearings

Engine & Propulsion

- Volvo D1-12 diesel, 12 HP, 3-cylinder
- Saildrive (SD25) with 65A alternator
- Raw water exhaust
- 20-gallon polyethylene fuel tank

Navigation & Electronics

- B&G H5000 GPS system
- B&G VHF with AIS
- B&G depth, speed, wind instruments
- Ritchie 5" and 2" compasses

Rigging & Sails

- Carbon double spreader mast
- Aluminum boom with two reef points
- Rod standing rigging
- Braided halyards and sheets
- Harken winches and traveler
